

PUBLIC HEARING NOTICE

The Maplewood City Council will hold a public hearing on **6/25/19 at 7:30 p.m.** in the City Hall Council Chambers, 7601 Manchester Rd., Maplewood, MO 63143, to hear citizen's comments on a request by Verizon Wireless to install a 5G small cell antenna on existing utility poles at 7261 Gayola Place and 7402 Zephyr Place. The attached photos are examples of similar antennas.

The Maplewood Plan & Zoning Commission will meet on **6/3/19 at 7:00 p.m.** in the City Council Chambers on the same matter. The Maplewood Plan & Zoning Commission will vote on a recommendation to the City Council at this meeting.

Residents of Maplewood are afforded an equal opportunity to comment regardless of race, color, religion, sex, age, disability, familial status, national origin or political affiliation. The City of Maplewood is working to comply with the Americans with Disabilities Act (ADA). Reasonable accommodations will be provided when required. To request an accommodation, please call City Hall, 645-3600 or use Relay Missouri at 1-800-736-2966 at least 48 hours in advance of the meeting and communicate your needs.

EXAMPLE 5G Design

- Will include the canister on top containing antennas within.
- This equipment configuration to be mounted to the top of wooden Ameren utility poles with 5' of separation between their power lines and Verizon's equipment
- Equipment painted to be the same color as the pole.
- Disclaimer: This is an example to give an idea of what the equipment will look like in Maplewood. This is a pole in Phoenix.
